**Subject:** RE: CAD cell coordination

Dave, Kristin:

I am open this week Wed afternoon and Friday. Thursday I have a meeting on the north shore - but can make that for any time of day - so I can work around something if you wanted to do it on Thursday.

Kristin - If you wanted to do it after the Rowing Club meeting on Wednesday, we will be around already - we could go back to HDC after if you like.

- Jay

Subject: CAD cell coordination

Hi Kristin and Jay - would it be possible to have a quick meeting or conference call by next Tue 2/19? Reason being we're headed to DC for a meeting with our HQ on Wed 2/20, and one of the issues we'll be discussing is the concept of partnering with the HDC to fast-track 300,000 cy of lower harbor CAD cell space (i.e., asking for extra funds to pay our fair share). So we want to make sure we have all the right information, and that we're coordinating this closely as we move forward.

I'm available any time until Tue 2/19 at noon (except for tomorrow morning Wed 2/13 before 9:30). I can get us a conf. call line if need be.

Thanks - Dave
